

# Jackson

## Ambivalent

We got married in a fever, hotter than a pepper sprout  
We've been talkin' 'bout Jackson, ever since the fire went out  
    I'm goin' to Jackson, I'm gonna mess around  
    Yeah, I'm goin' to Jackson, look out Jackson town  
    Well, go on down to Jackson, go ahead and wreck your health  
    Go play your hand, you big-talkin' man, make a big fool of yourself  
        Yeah, go to Jackson, go comb your hair  
        Honey, I'm gonna snowball Jackson, see if I care  
        When I breeze into that city, people gonna stoop and bow  
    All them women gonna make me teach 'em what they don't know how  
        I'm goin' to Jackson, you turn-a loose-a my coat  
        'Cos I'm goin' to Jackson, "Goodbye," that's all she wrote

But they'll laugh at you in Jackson and I'll be dancin' on a pony keg  
    They'll lead you 'round town like a scalded hound  
        With your tail tucked between your legs  
        Yeah, go to Jackson, you big-talkin' man  
    And I'll be waitin' in Jackson, behind my Jaypan Fan  
    Well now, we got married in a fever, hotter than a pepper sprout  
    We've been talkin' 'bout Jackson, ever since the fire went out  
        I'm goin' to Jackson, and that's a fact  
        Yeah, we're goin' to Jackson, ain't never comin' back  
        Well, we got married in a fever, hotter than a pepper sprout'  
    And we've been talkin' 'bout Jackson, ever since the fire went
