

# Stay

Toni Braxton

Advisory - the following lyrics contain explicit language:

Stay..Stay... Stay..ayHello, thought about you  
Just picked up the phone  
(I called do you find)  
So I wanna explain  
I hope you don't mind  
I say to you why I'm callin'Before you answer wait a second  
You know why I called  
It's because I wanna see you  
Boy I don't mean to second guess us  
I do this every time  
It's gotta seem a lotThe more that you push  
I turn you away  
Please stay, stay stay  
Cause sometimes I move  
The wrong kind of way  
When I reach out to you  
And pull you to stay, stay stayStay, stay..  
Stay, stay..  
Stay stay  
Stay stayWhy, why do I treatcha  
Treatcha so bad  
When you deserve much more  
Why do you put up with this  
I don't know  
What am I in your life for  
(In your life for)Before you answer wait a second  
I know what it is, yea it's me  
I see you pleading.. yea  
I just get nervous, cause I like ya  
I do this every time  
It's gotta seem a lotThe more that you push  
I turn you away

Please stay, stay stay  
Cause sometimes I move  
The wrong kind of way  
When I reach out to you  
And pull you to stay, stay stay Oh every time I say it's the end  
I pull you back again  
(Turn around and do it again)  
Oh I knew you wish, I make up my mind  
And set it right Ohh the more that you push  
I turn you away (turn you away)  
Please stay, stay stay  
Cause sometimes I move  
The wrong kind of way  
When I reach out to you  
And pull you to stay, stay stay Stay, stay (ohh)  
Stay, stay (I need you to stay)  
Stay stay (yea)  
Stay stay (no, I said I wantcha)  
Stay stay  
Stay stay  
Stay stay  
Stay stay  
Stay stay  
Stay stay  
Stay stay  
Stay stay  
Stay stay..
