

# The Rubberband Man (Single Version)

## The Spinners

Hand me down my walkin' cane  
Hand me down my hat  
Hurry now and don't be late  
'Cause we ain't got time to chat  
You and me we're goin' out  
To catch the latest sound  
Guaranteed to blow your mind  
So high you won't come down Hey ya'll prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jam Oh boy, this dude is outta sight!  
Everything he does seems to come out right Once I went to hear them play  
At a club outside of town  
I was so surprised  
I was hypnotized  
By the sound this cat put down  
When I saw this short fat guy  
Stretch a band between his toes  
Hey, I laughed so hard  
'Cause the man got down  
When he finally reached his goal Hey ya'll prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jam Got that rubber band  
Up on his toes  
And then he wriggled it up  
All around his nose Guaranteed to blow your mind  
Playin' all that music, yet keepin' time  
Where in the world did he learn that, oh Lord?  
Lord, help him get away Hey ya'll prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jam Rubberband man, rubberband man  
How much of this stuff do he think we can stand?  
So much rhythm, grace, and debonair for one man  
And then he had the nerve to wiggle his left toe

Went to his knee, got the feelin' in his head, y'all  
Oh, come on babyHey ya'll prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jamRubberband man starts to jam  
Moving up and down 'cross the land  
Got the people all in his wake  
Everything probably seems outta placeJust move it, just move, move, move it, just  
Rubberband, rubberband man  
Just move it, just move, move, move it, just  
Rubberband, rubberband man  
Get down, oh, get down low
