

Summer Here Kids

Grandaddy

Summer here kids After she lets you glide around
Finally hit the ground like a paper plane
Take a trip, join me in the sun
But not really though and I ain't having fun 'Cause summer here kids, summer here totally lies
Tourist info said I'd have a good time
Summer here kids, all of them awful lies
Tourist info said I'd have a good time Do as I didn't do because
I'm a picture of imdumbivinity
Stay alone put a record on
Listen to the songs keep yourself at home 'Cause summer here kids, summer here totally lies
Tourist info said I'd have a good time
Summer here kids, all of them awful lies
Tourist info said I'd have a good time I'd have a good time
I'm not having a good time
I'm not having a good time
