Heart With No Companion

Leonard Cohen

Now I greet you from the other side

Of sorrow and despair

With a love so vast and so shattered

It will reach you everywhere And I sing this for the captain

Whose ship has not been built

For the mother in confusion

Her cradle still unfilledFor the heart with no companion

For the soul without a king

For the prima ballerina

Who cannot dance to anythingThrough the days of shame that are coming

Through the nights of wild distress

Though your promise count for nothing

You must keep it nonetheless You must keep it for the captain

Whose ship has not been built

For the mother in confusion

Her cradle still unfilledFor the heart with no companion

For the soul without a king

For the prima ballerina

Who cannot dance to anythingNow I greet you from the other side

Of sorrow and despair

Discover that love so vast and so shattered

It will reach you everywhere And I sing this for the captain

Whose ship has not been built

For the mother in confusion

Her cradle still unfilledFor the heart with no companion

For the soul without a king

For the prima ballerina

Who cannot dance to anything
