The Shocking Truth

Evergrey

[we have evidence of a superior culture out there]
[they come from ...god knows where]
[maybe from outer space]
[maybe from some other dimension of existence...]All the battles that I've fought and lost
When I'm asleep they come
All the screams that I've screamed unheard
A weak wounded soul[they've been manipulating my life since I was a little boy]
[And they never asked permission]
[they never once asked]
[you know what the hardest part is]
[the isolation the ridicule the self doubt]
[half the time you are wondering if you are going crazy]
Dare I open my eyes and see
How much more can they possibly harm me
The frustration
The hurt
The fear
Of a weak wounded soul[for years I've worked real hard]
[suppressing all abduction memories]
[now that I remember]
[I'm scared to death almost all the time]
[I know they'll be coming for me again]
[they always come back]They're watching me
They're touching me
Moving so quick they're all around me
Ain't got the right
But say they do
The Shocking Truth
A weak wounded soul
A deeply wounded soul[They are abducting our citizens on a regular basis]
[conducting experiments on them]
[collecting specimens about ova]
[they have been impregnating women]
[and then later invading those women's bodies again]
[and stealing the unborn foetuses]
[for reasons we can only imagine]
