

# What Can I Do

## Secondcity

That's what you do, yeah  
That's what you do  
That's what you do, yeah (You make me wanna) What can I say? What can I do?  
I live my life for loving you  
What can I do? What can I say?  
Ain't nobody else could make me feel this way What can I say? What can I do? (What can I do?)  
I live my life for loving you (life for loving you, girl)  
What can I do? What can I say? (Wow yeah yeah)  
Ain't nobody else could make me feel this way (nobody else, nobody else) That's what you do, yeah That's what  
you do, yeah What can I say? What can I do? (What can I do?)  
I live my life for loving you  
What can I do? What can I say? (What can I say?)  
Ain't nobody else could make me feel this way That's what you do (time to give again)  
That's what you do, babe (time to give again)  
That's what you do (time to give again)  
That's what you do, yeah (time to give again) That's what you do, yeah (you make me wanna)  
That's what you do  
That's what you do, yeah (you make me wanna)  
That's what you do  
That's what you do, yeah (I live my life for loving you) (you make me wanna)  
That's what you do (What can I do, what can I say?)  
That's what you do, yeah (Ain't nobody else could make me feel this way) What can I say? What can I do?  
I live my life for loving you  
What can I do? What can I say?  
Ain't nobody else could make me feel this way What can I say? What can I do?  
I live my life for loving you  
What can I do? What can I say?  
Ain't nobody else could make me feel this way Time to give again (That's what you do, yeah)  
Time to give again (That's what you do)  
Time to give again (That's what you do, yeah)  
Time to give again
