Hangin

Free Energy

When I feel so lost, yeah
Making out with your lipstick gloss
But I get so lost, in my racing mind
But it feels alright, yeah,
Making out in electric light
All these girls talking like
He wants to dance tonight When you walk my way,
Everytime you call my name, hey
Keep me hangin on, keep me hangin
Gonna make believe, tonight
We're still ok, yeah
Keep me hangin on, keep me hangin
I get so long gone,
Making out with the beat turned on
Everytime I hear that song, I loose my mind
And it feels alright, alright
When I get electricized
Do you want to dance tonight
Dance with me tonight When you walk my way,
Everytime you call my name, hey
Keep me hangin on, keep me hangin
Gonna make believe, tonight
We're still ok, yeah
Keep me hangin on, keep me hangin Come on now, close your eyes
Leave your body, loose your mind
Kiss me now, kiss me now
Come on over, close the lights
Run away with me tonight
Love me now, love me now!
When you walk my way,
Everytime you call my name, hey
Keep me hangin on, keep me hangin
Gonna make believe, tonight
We're still ok, yeah
Keep me hangin on, keep me hangin
Keep me hangin, don't keep me hangin on
Don't keep me hangin, hangin, hanginWhen you walk my way,
Everytime you call my name, hey
Keep me hangin on, keep me hangin

Gonna make believe, tonight
We're still ok, yeah
Keep me hangin on, keep me hangin
Keep me hangin, don't keep me hangin on
Don't keep me hangin, hangin, hangin
