

Colorado Girl

[Steve Earle](#)

I'm goin' out to Denver, see if I can find
Oh, I'm goin' out to Denver, see if I can find
That lovin' Colorado girl of mine The promise in her smile shames the mountains tall
The promise in her smile shames the mountains tall
She can bring the sun to shining, tell the rain to fall It's been a long time mama since I heard you call my name
It's been a long time mama since I heard you call my name
I gotta see my Colorado girl again I be there tomorrow, mama don't you cry
Oh, be there tomorrow, mama don't you cry
I gotta kiss these lonesome Texas blues goodbye
