

# Drinkin' My Baby Goodbye

## The Charlie Daniels Band

Sittin' on a bar stool actin' like a darn fool  
That's what I'm a doin' today  
Sitting' here drinkin', tryin' to keep from thinkin'  
I'm a boozin' my troubles away Well now I couldn't make her stay, well doggone her anyway  
She can't say that I didn't try  
So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye Every time we disagreed, she was always askin' me  
"Are you a man or a mouse?"  
Now that she's gone, she probably thinks I'm home  
Just a mopin' around the house She probably thinks that she's the one thing  
I just couldn't get along without  
Well wouldn't it surprise her I got a sympathizer  
As long as these bottles hold out Well I'm sittin' on a bar stool actin' like a darn fool  
That's what I'm a doin' today  
And I'm sitting' here drinkin', tryin' to keep from thinkin'  
I'm a boozin' my troubles away Well now I couldn't make her stay, well doggone her anyway  
She can't say that I didn't try  
So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye Every time I try to sit down and talk to her  
It always end up in a fuss  
I tried to reason with her right up to the time  
That she got on that greyhound bus It would be better if I could forget her  
'Cause she sure forgot about me  
And if it takes all night I'm gonna' do it right  
I'm gonna' sit here till I can't see Well I'm sittin' on a bar stool actin' like a darn fool  
That's what I'm a doin' today  
And I'm sittin' here drinkin', tryin' to keep from thinkin'  
I'm a boozin' my troubles away Well now I couldn't make her stay, well doggone her anyway  
She can't say that I didn't try  
So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye Well I'm sittin' on a bar stool actin' like a darn fool  
That's what I'm a doin' today  
And I'm sittin' here drinkin', tryin' to keep from thinkin'  
I'm a boozin' my troubles away Well now I couldn't make her stay, well doggone her anyway  
She can't say that I didn't try  
So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye  
I said, "So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye"

I said, "So pour me another one, I'm finished with the other one  
I'm drinkin' my baby goodbye"
