Strength In Numbers

Times of Grace

As we live in these dark days
Filled with violence, opposition and hateThere lies a place of saving grace
Protected in the hearts of the humble
The faithful, the onesWho choose the path
Of resistance to protest
Protect, save
Proclaim our lives lived not in vainIn flesh, in spirit eternal
One love, one truth, one destinyOne love
(One love)
One truth
(One truth)
One destinyArise and be triumphant
No rest until all is fulfilled
Our roots must balance our branches
Be vigilant in truth and love
(In truth and love)There is a strength in numbers
We must unite mankind
There is a strength in numbers
Our faith lies deep inside(We)
We struggle
(We)
We suffer
(So)
So we must come together(We)
We struggle
(We)
We suffer
(But)
But we will live foreverBabylon's method of deception
So devious the strong are swayed
(So devious, the strong are swayed)There is a strength in numbers
We must unite mankind
There is a strength in numbers
Our faith lies deep inside(We)
We struggle
(We)
We suffer
(So)
So we must come together(We)

We struggle
(We)
We suffer
(But)
But we will live foreverOne love, one truth
One love, one truthOne love
(One love)
One truth
(One truth)
One destiny
(Yeah)There is a strength in numbers
We must unite mankind
There is a strength in numbers
Our faith lies deep inside(We)
We struggle
(We)
We suffer
(So)
So we must come together(We)
We struggle
(We)
We suffer
(But)
But we will live foreverMay the sun shine upon you
And bless your inner light
And may you find true peace
