I'm The Coolest

Alice Cooper

You know that I'm the coolest that's ever come around
You'll notice things get hotter whenever I'm in town
I mean, I gotta be the coolest, who else could it be
Everybody knows who's really cool
MeLet's face it, I'm the greatest, I'm Mr. Number One
My hometown built a statue to their favorite son
I mean I gotta be the greatest
I'm just a ball of fun
I mean I'm definitely the greatest
I'm also the coolestYou can't leave a package like me sitting on no shelf
Let me tell you I'm so cool sonny
I'm gonna save a little for myselfYeah baby, come over here a minute
Who is the coolest?
I mean how do I look?
YeahYou can't leave a package like me sitting on no shelf
Let me tell you I'm so cool sonny
I'm gonna save a little for myselfYou know the day I was born there were these four dudes up on a hill
They said they saw this star hanging out over town
And the whole world seemed to stand still
It made the Sunday papers
I guess it proves for sure
I am the coolest
I am the greatest
I am the baddest
I am the smoothest
I'm just the best
Sand dancer come on
Ah yeahRight
