

When You Pretend

Dean Martin

Although you're stuck with Dean's there's money in your jeans
When you pretend
The wolf that's at your door is not there anymore
When you pretend Ah there's nothing you can't be
Just wish and see
Why the world's your cup of tea
Some dish says me The happiness you find is all a state of mind
That's true my friend
And life is filled with happy endings
When you pretend There's nothing you can't be
Just wish and see
The world's your cup of tea
Some dish says me
