

Way Down Yonder In New Orleans

Frankie Laine & Jo Stafford

Way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden
That's what I mean
Creole babies with flashing eyes
Softly whispering with the tender sighs
Stop
Oh, won't you give your lady fair a little smile?
Yeah, stop
You bet your life you'll linger there a little while
Well, there is heaven right here on earth
With those beautiful queens
Way down yonder in New Orleans
Way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden
That's what I mean
Creole babies with flashing eyes
Softly whispering with the tender sighs
Stop
Oh, won't you give your lady fair a little smile?
Stop
You bet your life you'll linger there a little while
Well, there is heaven right here on earth
With those beautiful queens
Way down yonder in New Orleans
