

Rage

Danity Kane

[Verse 2]

I party downtown

With my eyes open wide like dust in the sky

I'm gonna scream loud till I can't hear myself to the morning on you

I hopefully we'll then see a brighter day

We live with no regrets

Raise your hands if you're with me I wish you'll be, should be highly upset

If you turn us down

We're gonna wild on ya

I follow the sun up to rowdy

We're gonna play hard until the sun comes out [Chorus]

We rage at the party like maniacs

Ooh, ay ay

We rage at the party like maniacs

Ooh, ay ay

Cause you're crazy, and I'm strange

Kind of rowdy, and the rage

We rage at the party like maniacs

Ooh, ay ay
