

Lost in the Shuffle

Drivin' N' Cryin'

Lost in the middle, but I kept my shuffle
Stuck in the blues, but I just kept copin'
In the city where all schemes are tested
So many names, so many numbers
So much to do, but I feel so lonely
Lost in the shuffle
Lost in the shuffle
Get out, get out and find me some money
My landlady booted me out in the mornin'
I started by shoppin' and ended by liftin'
I should've known when I stole the Mercedes
Around the corner they would be waiting
Oh no
Lost in the shuffle
I've got a new deal running for you
Lost in the shuffle
So many names and so many numbers
Two more weeks, I'll be back in the runnin'
How can I love it and hate it at the same time
Bar your doors and lock your shutters
I'm back on the street and lost in the shuffle
Lost in the shuffle
I've got a new deal running for you
Lost in the shuffle
Lost in the shuffle
Lost in the shuffle
Lost in the shuffle
On Broadway
On Broadway
