Invisible Man

Joe Jackson

One, two, three, four
One, twoHey, can you hear me now
As I fade away
And lose my ground?Maybe you'd like to know
What I'd have to say
If I was still aroundNow I'm made of smoke
You see through to me
It's the strangest jokeYou can't touch the invisible man
Can't touch the invisible man
Can't stop the invisible manWhy do the lights go down
Or run to someone new?
Well, let them learnI used to own this town
Now I'm watchin' you
Now it's my turnNow I'm made of mist
Will you know
When you've been kissed?Can't touch the invisible man
Can't touch the invisible man
Can't stop the invisible manNow I'm almost free
Disappearing
Don't cry for meYou can't touch the invisible man
Can't touch the invisible man
Can't stop the invisible man
Can't stop the invisible manCan't touch the invisible man
Can't touch the invisible man
You can't stop the invisible man
Can't stop the invisible manCan't touch the invisible man
Can't touch the invisible man
