

# The Crimson

Atreyu

I feel it welling up inside and Robert Smith lied  
Boys do cry and with blood tears in my eyes  
I'm an Anne Rice novel come to life  
I can't hide the monster, anymore One can, only feel desolate for so long until  
One starts to change into  
Something the mirror doesn't recognize  
Metamorphosize, the darkness has been biding its time To claim its latest victim  
Fresh meat for carnal desires  
To become, what I became  
I viewed the sun for the last time Will you still hold me  
When you see what I have done?  
Will you still kiss me the same  
When you taste my victim's blood? So crimson and red  
I feel it flowing from your lips  
(Crimson and red)  
My heart is dead and so are you And it pulses through  
The desire to change to deconstruct  
All of my  
All of my past failings But where to begin because when you live in sin  
It's hard to look at saints  
Without them reflecting  
Your jet black, aura back on you And all I have is hope  
My inner burn's not fading  
I'll wipe the blood from my cheek  
And get on with my day Will you still hold me  
When you see what I have done?  
Will you still kiss me the same  
When you taste my victim's blood? So crimson and red  
I feel it flowing from your lips  
(Crimson and red)  
My heart is dead and so are you And all I have is hope  
And all I need is time  
To bury in pine under six feet of time  
The lies I told me about myself Claw my way out  
Pick the splinters from under my fingernails  
I won't lose hope  
I won't give in Just live and breathe, try not to die again  
Just live and breathe, try not to die again  
Just live and breathe, try not to die again

Try not to die again Will you still hold me  
When you see what I have done?  
Will you still kiss me the same  
When you taste my victim's blood? So crimson and red  
I feel it flowing from your lips  
(Crimson and red)  
My heart is dead and so are you Will you still hold me  
When you see what I have done?  
Will you still kiss me the same  
When you taste my victim's blood? So crimson and red  
I feel it flowing from your lips  
(When you taste my victim's blood)  
My heart is dead and so are you
