Miracle

Olive

Deeper than deeper was my love for you
Sweeter than sweeter joy
Hoping that every day, you can go your way
I cannot hold you downTurning the situation 'round a little more
Making it look like things are just fine
You can go your way
Shudder to think these words were mineTouching the place, that makes it a love thing
Straight to the face, one way love would be a miracle
Touching the place that makes it a love thing
Straight to the face, that anyway, one way love would be a miracle
Touching the place
One way love would be a miracle
One way love would be a miracleDreamily passing by words sort of come and go
Wasting the time of day, I don't know
Don't you smile that way?
Smiling is all I've got left for you
You can go your way
You can go your wayTouching the place, that makes it a love thing
Straight to the face, one way love would be a miracle
Touching the place, that makes it a love thing
Straight to the face, one way love would be a miracleTouching the place, that makes it a love thing
Straight to the face, one way love would be a miracle
Touching the place, that makes it a love thing
Straight to the face, that anyway, one way love would be a miracleTouching the place that makes it a love thing
Straight to the face, one way love would be a miracle
Touching the place that makes it a love thing
Straight to the face, that anyway, one way love would be a miracle
