

# Stars and Boulevards

## Augustana

Wait, dear  
White horse is walking down my  
Street here  
Your words are creeping at my feet  
I fear  
That sunrise will come too soon and you'll  
Disappear  
To the haze of a city and yourself  
Oh no!

Look out  
They're coming after us with big guns  
They're only going to tell you all the bad things I've done  
Even if the words they say aren't true  
They've won  
Now I'm left here dying in the sun

Whoa  
Seem like I'm only coming  
Seem like I'm never coming  
Seem like in my eyes I'm at  
I bet all the stars and boulevards  
Aren't close enough to you

Late nights  
Won't do me justice  
When I drink I  
Just get so damn depressed  
And it's, it's not like  
I ain't trying to get over you  
It's just hard to look at all the seasons pass me all the time  
And I said

Whoa  
Seem like I'm only coming  
Seem like I'm never coming  
Seem like in my eyes I'm at  
I bet all the stars and boulevards  
Aren't close enough to you

One last  
Phone call from you  
It wouldn't hurt much  
I just like to hear your voice  
And pretend to touch  
Any inch of you that hasn't said it all or read it all  
I sung my life away  
And I say

Whoa  
Seem like I'm only coming  
Seem like I'm never coming  
Seem like in my eyes I'm at  
All the stars and boulevards  
Aren't close enough to you (seem like I'm only coming)  
All the stars and boulevards  
Aren't close enough to you (seem like I'm never coming)  
All the stars and boulevards  
Aren't close enough to you (seem like I'm only coming)  
All the stars and boulevards  
Aren't close enough to you
