Silent Lullaby

ShamRain

Your eyes staring glazed
Vitality you fell to waste
Is it ever coming back?
It's stained and disgracedReveal your endless hate
You're not the only one in pain
Under pouring rain
A life under pouring rainLay inert all day
Without desires
Pass out mesmerized
To the sound of silent lullabies
lullabies
Words scribbled down
In distress and in haste
Plain white pages
Stained and disgracedReveal your endless hate
You're not the only one in pain
Under pouring rain
A life under pouring rain
Lay inert all day
Without desires
Pass out mesmerized
To the sound of silent lullabies
LullabiesInside those walls
No one will ever find you
