Ice Cream Castles

The Time

We are young, we are free on earth together
Let's fall in love
You are fine, you are white, I am of color
Let's fall in loveIce cream castles in the summertime
Ice cream castles in the summerI want you, you want me, we want each other
Is that so wrong?
It's raining mad sisters, why can't they realize
That it won't be long?We're all ice cream castles in the summertime
Ice cream castles in the summerLet's do something soonWe are young, we are free let's come together
Before the end
I am blue, you are too, what could be better?
Let's make friendsWe're all ice cream castles in the summertime
Ice cream castles in the summertimeWe're all ice cream castles in the summer
Ice cream castles in the fall
Ice cream castles in the summertime
Summertime, summertime, summertimeIs that what you need?
White girls, black girls, orientals, jamaican?Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime, summertimeWhite girls, black girls, orientals, jamaican
I want you, you want me, we want each other
White girls, black girls
We are young, we are free on earth togetherLet's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soonLet's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
We are young, we are free, let's come together
