

Follow Me Home

Thomas Cunningham

How lonely is this world without a girl?
And I know that I just can't find what I need
Without you, guess I'll try.
Just please remember me and to follow me home.

So we chase our different dreams
Cause they're never what they seem.
And we'll find out who we are,
Velvet queens and fragile stars.

Follow me home tonight, underneath that velvet starlight.
Follow me home tonight, we'll never be quite right.

Now I remember when we used to say
That old cliché
