

# Flower To Hide

Catherine Wheel

So make it shine  
No need to fade  
I'll make it hard on you  
I'll make it glow  
No need to show you this time  
I'll make it easy

And I know  
The sunlight bleaches you  
It colours everything you do  
I know  
A flower's fading far too soon

So think of a time  
It's something to cling to  
Imagine a life  
That never escapes you

Conceal it behind  
The colour and perfume  
A flower to hide  
A violet surprise

And I know  
The sunlight bleaches you  
It colours everything you do  
And I know  
A flower's fading far too soon

And I know  
The sunlight bleaches you  
It colours everything you do  
I know  
The sunlight bleaches you  
A flower's fading far too soon
