

Dance With You

Solange Knowles

I've been watchin' from across the room
Thinkin' how I want to dance with you
See you movin' on the dance floor
Makes me wanna dance with you even more
I like yo style, you're so confident
All the hatas call you arrogant
I don't care what they say is true
'Cause all I wanna do is dance with you
I see you checkin' me out
And I'm lookin' at you so
Don't matter who brought yo stuff
Just make a move 'cause
On the floor you got it
And I got it to
I wanna dance with you
Dance with you
Girl is funny how you are feelin' me
'Cause in my mind I'm think the same dream
Of how I wanna dance and move with you
To intimidated to avoid you
I like yo vibe so baby girl whats up
All the trickers say your stuck up
I don't care what they say is true
'Cause all I wanna do is dance with you
I see you checkin' me out
And I'm lookin' at you so
Don't matter who brought yo stuff
Just make a move 'cause
On the floor you got it
And I got it to
I wanna dance with you
Dance with you
You got it
Yeah yeah yeah
It's da same little cat dat came ta rock ya world
It's amazing what I do to these little girls
Got 'em ditchen dey boyfriends dat talk around school
You ain't never met a 15 year old dude dis cool
Come on ma role wit me I'll make ya famous

Not a privilege to you but I know you wanna claim dis

Both round party dats singin' of key, of key, of key

Make a move

I see you checkin' me out

And I'm lookin' at you so

Don't matter who brought yo stuff

Just make a move 'cause

On the floor you got it

And I got it to

I wanna dance with you

Dance with you

I see you checkin' me out

And I'm lookin' at you so

Don't matter who brought yo stuff

Just make a move 'cause

On the floor you got it

And I got it to

I wanna dance with you

Dance with you

I see you checkin' me out

And I'm lookin' at you so

Don't matter who brought yo stuff

Just make a move 'cause

On the floor you got it

And I got it to

I wanna dance with you

Dance with you
