Dive In

leah andreone

Hangin' from a rope, hangin' from a swing set
I close my naked knees 'cuz I know how the word spreads
You're lookin' up at me
Look it's heaven in a playhouse in a tree, play with meFound a slide to ride, hold my dress to my sides
I close my naked knees, nice boys shouldn't see that
You're looking up at me
Look it's candy, take the bait and slide with me, play with meDive in, splash around, play with me
Play with meDive in, splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reasonDive in, splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reasonClose the bathroom door, you can't look anymore
I close my naked knees 'cuz my mama done told me
Will you go with me?
Yes, no, maybe, play with meDive in, splash around, play with me
Play with meDive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
I'm drowning for a reasonDive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
Hang with meDive in splash around, play with me
I'm drowning for a reason
Dive in, thrash around, hang with me
Play with me, playDive in splash around, play with me
