

What's Love

Shaggy

Akon and Shaggy, ooh yeah
Love aint got nothin to do with it
Come on now Me waan fi leave you long time
Nuff man a search for your sign
She say she love me till the end of time
But that a not really have pon me mind Me waan fi leave you long time
Yuh know enuff a man search fi your sign
She say she love me till the end of time
But that a not really I have upon me mind Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love? Thats it, cant take no more
Im leavin, got one foot through the door
(But I love you)
I had my doubts before
I thought it through, now Im gone for sure
(But I love you) Cant let you tie me down
I wanna have fun and mess around
(But I love you)
I gotta stand my ground
Though youre the best thing I found Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love I hope for goodness sake
That you would just cheat, make some mistake
(But I love you)
So perfect, [Incomprehensible]
You gave me no reason to escape
(But I love you) Wont hide, I got skirts to chase
Dont wanna be throwin it in your face
(But I love you)
I pray to God some days
We fight and go our separate ways Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love Me waan fi leave you long time

Enuff of man a search for your sign
Say that she love me till the end of time
But a that not really have pon me mindMe want fi leave you long time
Enuff of men a dem search for your sign
Say that she love me till the end of time
But that I not really have pon me mindWhats love gotta do with it
Gotta do with it, gotta do with it?
Whats love gotta do with it
Gotta do with it, gotta do with it?Whats love gotta do with it
Gotta do with it, gotta do with it?
Whats love gotta do with it
Gotta do with it, gotta do with it?
