

# Death Dealer

## All Pigs Must Die

Death believer  
Soul stealer  
Time healer  
How do they feel  
Being born for the last time  
Took it all away  
Only came for what's mine  
Now there's nothing to say  
Can you feed me the right line  
Bought and sold for the unkind  
For the first time  
For the last time  
For my worst crime  
My fate's been sealed  
Being born for the last time  
Took it all away  
Only came for what's mine  
Now there's nothing to say  
Can you feed me the right line  
Bought and sold for the unkind
