

# Tomorrow Is Another Night

## BLACK

Will you ever please shut up?  
More than one face here needs to blow and rain  
Hold that cold and old idea  
Then let it slowly fade Then maybe get along, baby get along  
Tomorrow is another night  
You hurt my soul  
Took my song  
Baby get along You're just annoyed that you weren't first  
In his clothes, his arms, his bed  
So he winds up loving someone else  
Who needs him less instead  
Try getting turned on by the shape of his thumb  
Loving someone when you just feel numb  
Standing outside of your frightened skin
