

Close the Door

Boyz II Men

Close the door
Let me give you what you've been waiting for
Girl, I've got so much love to give
And I wanna give it all to youClose the door
No need to worry no more
Let's bring this day to a pleasant end
Girl, it's just me and you nowI've waited all day long
Just to hold you in my arms
And it's exactly like I thought it would be
Me lovin' you and you lovin' meClose the door
Let me rub your back where you say it's sore, yeah
Come on and get closer, so close to me
Let's get lost in each other, yeahCome on, baby
Sex baby, think I wanna sex you baby
Sex baby, think I wanna sex you babyI've waited all day long
Just to hold you in my arms
And it's exactly how I thought it would be
Me lovin' you and you lovin' meClose the door, baby and let me know your mind
Plenty good lovin' all through the night
And again and again till the mornin' comes
Oh, close that doorCome here, baby, let me blow your mind
Let me do what I want to do
Let me do what I want to you
Darling, won't you let me make sweet love to you, baby?Sex baby, think I wanna sex you baby
Sex baby, think I wanna sex you baby
Sex baby, think I wanna sex you baby
Sex baby, think I wanna sex you babySex baby, think I wanna sex you baby
Sex baby, think I wanna sex you baby
Sex baby, think I wanna sex you baby
