

Painkiller

Angra

Faster than a bullet
Terrifying scream
Enraged and full of anger
He's half man and half machine Rides the Metal Monster
Breathing smoke and fire
Closing in with vengeance soaring high He is the Painkiller
This is the Painkiller Planets devastated
Mankind's on its knees
A savior comes from out the skies
In answer to their pleas Through boiling clouds of thunder
Blasting bolts of steel
Evil's going under deadly wheels He is the Painkiller
This is the Painkiller Faster than a laser bullet
Louder than an atom bomb
Chromium plated boiling metal
Brighter than a thousand suns Flying high on rapture
Stronger free and brave
Nevermore encaptured
They've been brought back from the grave With mankind resurrected
Forever to survive
Returns from Armageddon to the skies He is the Painkiller
This is the Painkiller
Wings of steel, Painkiller
Deadly wheels, Painkiller
