

Yours Forever

Ron Hamilton

When the sun is shining bright, Iâ€™ll be yours forever
When you face the darkest night, we will face it together
Through the good times Iâ€™ll be there clinging warmly to your hand
When thereâ€™s no one else to care Iâ€™ll be there to understand

Yours forever only yours, Iâ€™ll be yours forever
Yours forever only yours, God has brought us together
On the wings of love, you came then you thought me how to fly
Through the years it will be the same
Iâ€™ll be yours forever

When I look into your eyes
I can see us together
there will be no sad goodbyes as our love blossoms sweeter
thereâ€™s a place inside my heart I know only you can feel
until death weâ€™ll never part, youâ€™re the keeper of my heart

Yours forever only yours, Iâ€™ll be yours forever
Yours forever only yours, God has brought us together
On the wings of love, you came then you thought me how to fly
Through the years it will be the same
Iâ€™ll be yours forever and ever
Iâ€™ll be yours forever
