# Where did your heart go

## Wham!

I spend my nights down on the wharf
In unlit alleyways
By the church downtown
Where Sally praysCome down sometime
We'll share a rusty can of corn, yeah
And listen to the radio
"I love you, I love you", it saysWhere did your heart go?
Did you put it on a train?
Did you leave it in the rain
Or down in Mexico?Where did your heart go?
Did you put it on a train?
Did you leave it in the rain
Or down in Mexico?You cried but I don't know how
I've heard it all before
There it goes again
The slamming of the doorSometimes the river calls me
And at night it calls my name
Says, "Put your troubles down beside me"
Things have always been the sameAnd rock 'n' roll won't teach me
What the river said that night
I jumped into this beauty
And drifted out of sightWhere did your heart go?
Did you put it on a train?
Did you leave it in the rain
Or down in Mexico?Where did your heart go?
Did you put it on a train?
Did you leave it in the rain
Or down in Mexico?
