

Love Will Tear Us Apart

[Evelyn Evelyn](#)

When routine bites hard
And ambitions are low
And resentment rides high
And emotions won't grow
And we're changing our ways, taking different roads
Love, love will tears us apart again Why is the bedroom so cold?
You've turned away on your side
Is my timing that flawed?
Have our feelings run dry?
Yet there's still this appeal we've kept through our lives
Love, love will tear us apart again You cry out in your sleep
All my failings exposed
There's a taste in my mouth
As desperation takes hold
Just that something so good
Just can't function no more
Love, love will tear us apart again
