Maggots at the Party

Combichrist

We're celebrating
We're alive
We're all kidsToday we kill
There's no wives
We are whole once again
Tomorrow we dieYou said we bring it to the party
We're out of line
So we bring it all right
And we're done playing games
All roads we stir up
They're all bedazzled all nightCome on maggots it's a party
Tonight we're not drinking alone
Come on maggots it's a party
It's our adaptance to fun and rock'n'rollNow we're wasted
Trying to score standing still
We pitch nothing at allWe ain't trying what we got
What we want is a thrill
You know we want it allShe said I wanna know the bottle
So do I
No need to put up a fight
No need to twist my arm
I'm already fucked
I'll still be drinking all nightCome on maggots its a party
Tonight we're not drinking alone
Come on maggots its a party
It's our adaptance to fun and rock'n'rollCome on maggots its a party
Tonight we're not drinking alone
Come on maggots its a party
It's our adaptance to fun and rock'n'rollNow here's some plans for the party
Let's stay alive
No intention to sleepIf you don't live free
You're not living at all
It's time to enjoy the insanityCome on maggots its a party
Tonight we're not drinking alone
Come on maggots its a party
It's our adaptance to fun and rock'n'rollCome on maggots its a party
Tonight we're not drinking alone
Come on maggots its a party
It's our adaptance to fun and rock'n'rollCome on maggots its a party

Tonight we're not drinking alone
Come on maggots its a party
It's our adaptance to fun and rock'n'roll
