Runaway

Groove Coverage

[Verse 1]

I wanna know

The structure of your heart

Why do you tear

My broken soul apart?

Is it a dream?

Or my reality?

Love comes without

after warranty[Chorus]

Ooo I want to runaway

You tell me nothing else but lies

I'm singin'

Ooo I try to runaway

Cause I just want to live my life

I'm singin'

Ooo I want to runaway

As long as you are by my side

I'm singin'

Ooo I try to runaway

But I can't find a place to hide[Verse 2]

No, I am not

You're f*c*i*g second choice

No, I am not

Turning down my voice

Until you understand

There's nothing to command

Until you realize

That we can touch the skies

Can you feel?

It's out of control

Can you feel?

There's nothing at allOoo I want to runaway

You tell me nothing else but lies

I'm singin'

Ooo I try to runaway

Cause I just want to live my life

I'm singin'

Ooo I want to runaway

As long as you are by my side

I'm singin' Ooo I try to runaway But I can't find a place to hide
