Sex

The 1975

And this is how it starts
You take your shoes off in the back of my van
My shirt looks so good
When it's just hanging off your back
And she said use your hands and my spare time
We've got one thing in common it's this tongue of mine
She said she's got a boyfriend anywayThere's only minutes before I drop you off
And all we seem to do it talk about sex
She's got a boyfriend anyway
She's got a boyfriend anyway
I love your friend when I saw his film
He's got a funny face but I like that because he still looks cool
She's got a boyfriend anyway
She's got a boyfriend anywayNow we are on the bed in my room
And I'm about to fill his shoes
But you say no
But do you say no
Does he take care of you
Or could I easily fill his shoes
Do you say no
Do you say noAnd now we're just outside of town
And you're making your way down
She's got a boyfriend anyway
She's got a boyfriend anyway
And I'm not trying to stop you love
But if we're gonna do anything we might as well just fuck
She's got a boyfriend anyway
She's got a boyfriend anywayYou've got your tongue pierced anyway
You in your hightops anyway
You in your skinny jeans anyway
You and your fit friends anyway
I'd take them all out any day
They've all got back combs anyway
You've all got boyfriends anyway
