

# Sex

## The 1975

And this is how it starts  
You take your shoes off in the back of my van  
My shirt looks so good  
When it's just hanging off your back  
And she said use your hands and my spare time  
We've got one thing in common it's this tongue of mine  
She said she's got a boyfriend anyway There's only minutes before I drop you off  
And all we seem to do it talk about sex  
She's got a boyfriend anyway  
She's got a boyfriend anyway  
I love your friend when I saw his film  
He's got a funny face but I like that because he still looks cool  
She's got a boyfriend anyway  
She's got a boyfriend anyway Now we are on the bed in my room  
And I'm about to fill his shoes  
But you say no  
But do you say no  
Does he take care of you  
Or could I easily fill his shoes  
Do you say no  
Do you say no And now we're just outside of town  
And you're making your way down  
She's got a boyfriend anyway  
She's got a boyfriend anyway  
And I'm not trying to stop you love  
But if we're gonna do anything we might as well just fuck  
She's got a boyfriend anyway  
She's got a boyfriend anyway You've got your tongue pierced anyway  
You in your hightops anyway  
You in your skinny jeans anyway  
You and your fit friends anyway  
I'd take them all out any day  
They've all got back combs anyway  
You've all got boyfriends anyway
