

# Baby Blues

## The Cranberries

I wonder what's happening to me  
Things are changing so dramatically  
I'll search for you,  
You're not really there  
Still I wonder  
Knowing that you do care

I shut up, I shut up, I shut up, I shut up  
I shut up, I shut up, I shut up now (x2)  
I shut up now, I shut up now (x2)

He is the best thing  
To come my way  
Perfect picture  
Baby blues in my day  
He is the best thing to come around  
Sleeping in his cradle safe and sound

I shut up, I shut up, I shut up, I shut up  
I shut up, I shut up, I shut up now (x2)

I shut up, I shut up, I shut up, I shut up  
I shut up, I shut up, I shut up now (x2)

I shut up now, I shut up now (x2)

Baby blues, baby blues (x4)  
Sha la la, sha la la, sha la la, sha la la (x6)
