

Puddle Of Mudd

[illegible]

And I think it's gonna be a long, long time
Long, long time, long, long time
And I think it's gonna be a long, long time
Time, yeah, time, yeah, time, yeah, time, yeah, time
It's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a
And I think it's gonna be a long, long time
Long, long time, long, long time, long, long time
And I think it's gonna be a long, long time
Think it's gonna be a long, long time, yeah
