

# Miss You

## Alabama Shakes

I'm gonna miss you  
And your Mickey Mouse tattoo  
And you'll be leaving in your Honda Accord Well is it true?  
All them bad things you do?  
Well are they sure  
Are they sure that it was you? You could tell me  
You know you could still tell me everything  
Tell me, I bet you didn't do nothing wrong  
Tell me, what's been going on? Maybe the stars aligned,  
Or maybe I've just changed my mind  
Maybe I'm yours  
I'm yours  
I'm yours  
I'm yours  
Yes, sir Well I do not love you  
Because I'm bored  
No, I was just saying them things  
When I was feeling a little unsure about myself  
And I'm sorry baby that wasn't right Then you got me thinkin'  
Yeah, thinking of you  
Thinking for the last time  
Yeah, the last time  
Now that I know you're really gonna leave me Maybe the stars aligned,  
Or maybe I've just changed my mind  
Maybe I'm yours  
I'm yours  
I'm yours  
Yeah, yeah I'm gonna miss you  
Just wait and see  
I cannot chase you  
I can't make you stay Ooh ooh ooh ooh  
Come on  
You really didn't do nothing wrong  
Baby, come on  
Come on  
Come on Maybe the stars aligned,  
Or maybe I've just changed my mind  
Maybe I'm yours  
I'm yours

I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
I'm yours  
Yes, sir
