Here

Robert Delong

Where do I put the shame?
It feels like a broken toy
I can't play with anymore
Where do I put the hate?
To a pixelated screen
I can't watch anymore
All I know is that I'm here
Drifting somewhere in the vast
Somewhere in eternity
And I never want to leave
Where do I put the books?
There's so many I could read
But they all are filled with lies
Where do I put the lies?
There's so many I could say
But it seems they're in the books
I have faith that you're out there
Living high up in the vast
Somewhere in eternity
And you're never going to leave
Have I been telling lies to myself?
Hold me now, you know I am so afraid to be at all
Have I been telling lies to myself?
Hold me now, you know I am so afraid to love at all
I looked up and I saw the moon
Is it the same one that betrayed you?
I looked up and I saw my place
I looked in and I felt no hate
Where do I put the love?
Oh, where do I put the love?
Yeah, where do I put the love?
