Kids In America

Len

Looking out a dirty old window
Down below the cars in the city go rushing by
I sit here alone and I wonder why
Friday night and everyone's moving
I can feel the heat but it's moving
Heading down
I search for the beat in this dirty townDowntown the young ones are going
Downtown the young ones are growingWe're the kids in America
We're the kids in America
Everybody live for the music-go-roundBright lights, the music gets faster
Look boy, don't check on your watch
Not another glance
I'm not leaving now, honey
Not a chance
Hot-shot, give me no problems
Much later baby you'll be saying never mind
You know life is cruel
Life is never kindKind hearts don't make a new story
Kind hearts don't grab any gloryWe're the kids in America
We're the kids in America
Everybody live for the music-go-roundCome closer honey, that's better
Got to get a brand new experience
Feeling right
Oh don't try to stop baby
Hold me tightOutside a new day is dawning
Outside Suburbia's sprawling everywhere
I don't want to go baby
New York to East California
There's a new wave coming, I warn youWe're the kids in America
We're the kids in America
Everybody live for the music-go-roundWe're the kids
We're the kids
We're the kids in America [x3]
