Bad Timing

Blue Rodeo

Hey it's me, what a big surprise
Calling you up from a restaurant around the bend
Just got in from way up north
I'm aching tired now and I could use a friend
Might be a fool to think that you do want to see me againI know it's been awhile since I talked to you
Nothing wrong, just nothing ever goes as planned
Many times I thought I'd call, didn't have your number in my hand
Well I know it's true, you'd never do the same thing to meI never meant to make you cry
And though I know I shouldn't call
It just reminds us of the cost of everything we've lost
Bad timing that's allAnd maybe soon there'll come a day
When no more tears will fall
We each forgive a little bit and we both look back on it
As just bad timing that's allUsed to have so many plans
Something always seemed to turn out wrong
Never could catch up to you, moving on and doing all you've done
I don't know why the harder I try, the harder it comesI never meant to make you cry
And though I know I shouldn't call
It just reminds us of the cost of everything we've lost
Bad timing that's allAnd maybe soon there'll come a day
When no more tears will fall
We each forgive a little bit and we both look back on it
As just bad timing that's all
We each forgive a little bit and we both look back on it
As just bad timing that's all
