

# Shut Up and Drive - The Wideboys

## Rihanna

[Verse 1]

I've been looking for a driver who's qualified  
So if you think that you're the one step into my ride  
I'm a fine-tuned supersonic speed machine  
With a sunroof top and a gangster lean

[Bridge]

So if you feel me let me know, know, know  
Come on now what you waiting for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

[Chorus]

Got you where you wanna go if you know what i mean  
Got a ride that smoother than a limosine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night

Cos I'm 0 to 60 in three point five  
Baby you got the keys-

Now shut up and drive  
(drive, drive, drive)

Shut up and drive  
(drive, drive, drive)

[Verse 2]

I got class like a 57 cadillac  
Got all the drive but a whole lot of boom in the back  
You look like you can handle whats under my hood  
You keep saying that you will boy I wish you would

[Bridge]

So if you feel me let me know, know, know  
Come on now what you waiting for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

[Chorus]

Got you where you wanna go if you know what i mean  
Got a ride that smoother than a limosine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night

Cos I'm 0 to 60 in three point five  
Baby you got the keys-

Now shut up and drive  
(drive, drive, drive)

Shut up and drive  
(drive, drive, drive)

Cos you play the game, got what I got (Get it Get it)  
Don't Stop It's a sure shot  
Aint no ferrari huh boy I'm sorry  
I ain't even worried  
So step inside and ride  
(ride, ride, ride, ride, ride...)

[Bridge]

So if you feel me let me know, know, know  
Come on now what you waiting for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

[Chorus]

Got you where you wanna go if you know what i mean  
Got a ride that smoother than a limosine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night

Cos I'm 0 to 60 in three point five  
Baby you got the keys-

Now shut up and drive  
(drive, drive, drive)

Shut up and drive  
(drive, drive, drive)

Now shut up and drive  
(drive, drive, drive)

Shut up and drive

(drive, drive, drive)
