

# My Everything

Christine Wyrtzen

Lord, You are my everything  
My highest joy and prize  
You meet my needs in every way  
With grace that satisfies  
Lord, You are my everything  
My food and drink today  
You lead to brooks and meadows green  
And guide in a special way

As one of Your own precious sheep  
You watch me even when I sleep  
You have become my All in all  
You lift me up when I often fall  
Lord, You are my everything  
My highest joy and prize  
You meet my needs in every way  
With grace that satisfies

Lord, You are my everything  
My highest joy and prize  
You meet my needs in every way  
With grace that satisfies  
Lord, You are my everything  
My Shelter, Refuge, Friend  
You are my great inheritance  
Whose blessing never ends

You give me wisdom in the night  
You fill me with profound delight  
Your presence fills my heart with joy  
Which nothing ever can destroy  
Lord, You are my everything  
My highest joy and prize  
You meet my needs in every way  
With grace that satisfies
