

My Everything

Christine Wyrzten

Lord, You are my everything
My highest joy and prize
You meet my needs in every way
With grace that satisfies
Lord, You are my everything
My food and drink today
You lead to brooks and meadows green
And guide in a special way

As one of Your own precious sheep
You watch me even when I sleep
You have become my All in all
You lift me up when I often fall
Lord, You are my everything
My highest joy and prize
You meet my needs in every way
With grace that satisfies

Lord, You are my everything
My highest joy and prize
You meet my needs in every way
With grace that satisfies
Lord, You are my everything
My Shelter, Refuge, Friend
You are my great inheritance
Whose blessing never ends

You give me wisdom in the night
You fill me with profound delight
Your presence fills my heart with joy
Which nothing ever can destroy
Lord, You are my everything
My highest joy and prize
You meet my needs in every way
With grace that satisfies
