

# 1989 (Soul Children Radio Remix) [Remastered]

## Titiyo

Well, I'm afraid of that picture  
From 1989  
Faded colors and worn out texture  
From 1989 Well, I've been young and I've been stupid  
But it's left behind  
I regret the things that I did  
And I feel fine We can't go on like this  
Don't go on yourself like this  
We can't go on like it's  
1989 Let's go back, I'll be your angel  
I'll make a deal with time  
But I don't know if that would change you  
Or give you peace of mind 1989, 1989, 1989, 1989  
1989, 1989, 1989, 1989 We can't go on, we've gotta move on  
We've gotta move on now  
We can't go on, we've gotta move on  
We've gotta move on now
