

Youth Without Love

Har Mar Superstar

C'mon baby swallow your pride
Everybody get in the water
C'mon baby make up your mind
Tell me that you're still gonna try
C'mon baby open your eyes
And if we wake up
Tell that it's gonna be fine
It doesn't happen all the time When you find
That you start to lose your mind
Nothing can be done
It's coming to me
And if I could somehow make you mine
A thousand times
I'd never get enough of you
C'mon baby make up your mind
I don't wanna change you
Knowin' that your setting your sites
You can never give enough
C'mon baby show me your stuff
And if we wake up
C'mon baby give me a sign (Just one)
Tell me that you're gonna be mine
When you find
That you start to lose your mind
Nothing can be done
It's coming to me
And if I could somehow make you mine
A thousand times
I'd never get enough of you
