

# Rules Don't Stop (live @ on3-radio)

## We Are Scientists

Don't be alarmed

It's not the end of the world

If we're breaking the rules it's fine

I disregard this kind of problem all the time

It's not as if it's gonna kill anyone

If there's no victim then there's no crime

Just draw another if you think we've crossed the lineRules don't stop me

Forget about it

Rules don't stop me

We'll get around it

Rules don't stop me

Forget about it

Don't stop me, don't stop meAlthough it may seem unconventional sometimes

Indiscretion is worth a try

If you just play along I promise we'll be fine

So leave your hang-ups back at the door

When you and I are down on the floor

Will you know what to do about it

You know what to do about itRules don't stop me

Forget about it

Rules don't stop me

We'll get around it

Rules don't stop me

Forget about it

Don't stop me, don't stop meIt's not as bad as they say

If this is such a mistake

Why does it seem to make you so damn happy?

This is no time to behave

Let's both get carried away

If there's a price to be paid

It won't stop meRules don't stop me

Forget about it

Rules don't stop me

We'll get around it

Rules don't stop me

Forget about it

Don't stop me, don't stop me

They don't stop me, they don't stop me
